**Subject:** Our river needs a responsible cleanup

I want to make sure the river cleanup is good for the environment and jobs.

I support a thorough cleanup plan for the Willamette River but the idea that we can restore the river to its original state is not realistic. That kind of cleanup would take forever and it would cost a ton. Make sure that we get a flexible cleanup plan that works.

Thank you for taking time to read my comments. I wish you luck on finishing a plan that supports our economy and cleans the river.

Sincerely,
